Breeder/Farmer

Popes Jameson is a great addition to our Simmental line up modelling a great set of EBV's with an outstanding pedigree. His dam "Nellys Dazzler" is full sister to the Cogent Legend Popes Barclay 10 and has been classified at EX92. His sire is the award winning "Popes Fearless". The size and power of his sire coupled with the easy fleshing and muscle development of his dam make this bull a very interesting option for both Pedigree and Commercial breeders. With a Milk figure of +11 and a Calving Ease direct figure of +2.5, we expect this bull to produce outstanding replacements.
