BREEDER/FARMER

JIMMY & VICKY WOOD, POPES SIMMENTALS

"Wonderboy was Senior Champion Stirling February 2010. He was purchased for his pedigree and his tremendous fleshing and confirmation. He is breeding consistently well for us and we are delighted with his calves. His first son Popes Barclay was purchased privately at 11 months of age by Cogent for their stud. His daughters have also had considerable success in the show ring with Camilla being Reserve Overall Champion at the Agri Expo calf show in 2011. His calves have inherited his fleshing and confirmation along with his impeccable temperament."
