### Breeder/Farmer

"Preacher offers some of the most sought after genetics in the Aberdeen Angus breed. With performance stacked on both sides of his pedigree and his Grandam being the 26,000gns Rawburn Joy Erica F560, Preacher is sure to be a bull to suit both pedigree and commercial breeders. His moderate frame score and exceptional muscle development is supported by a milk figure of +16 making this bull desirable for both producing replacements and terminal progeny."
