## Production summary

Terminal Index +55 (Breed Avg +31)

Self Replacing Index +72 (Breed Avg +40)

## Breeder/Farmer

Panther carries an exceptional set of EBV figures. He ranks in the top 1% of the breed for 200, 400 and 600-day growth and also for both terminal and self-replacing index. With these credentials and his out-cross pedigree this bull will be of interest to both pedigree and commercial breeders.
