Dam: EGL P105

MGS: EGL Fosters

Ear Tag: UK142911301988

✓ Growth ✓ Maternal

Production summary

Profit Index - £18,722

Breeder/Farmer

"Having visited Givendale and seeing some great Lorenzo progeny, the stamp he leaves is clear to see. Daughters consistently show growth and maternal qualities, making ideal replacements and he is a fantastic producer of efficient and well fleshed bulls. Supporting this, his Beef Value and Maternal Production Value sit in the top 5% of the breed"
(July 2017 information)
