Ear Tag: DE0360343401

Breeder/Farmer

Harukoe has a very special pedigree. His sire is World K's Haruki 2, is one of the original Japanese bulls who was exported from Japan to USA in 1993. This bull was recognised for exceptional carcass quality. His Maternal grand sire is Sanjirou, one of the great marbling bulls. We expect this bull to provide exceptional marbling with outstanding carcass conformation.
