### Breeder/Farmer

We are excited to introduce Fallhills Marvel P to our Signature Beef line up. Marvel combines both phenotypic performance with an outstanding set of EBVs. He ranks in the top 10% of the breed for Calving Ease and Gestation Length along with top 5% 200-, 400- and 600-day-weight. Marvel's pedigree is packed with breed greats such as Hockenhull Matthew, Team Celtic & Sneumgaard Imperator PP to name just a few. With both Terminal and Self-Replacing Indexes in the top 1% of the breed we expect this heterozygous polled bull to produce easily born calves that grow and develop quickly.
