Breeder/Farmer

We are excited to have been able to produce this outstanding homozygous polled bull. Sired by the famous Auroch Bullet PP and out of Auroch Lucinda Lee P who is sired by the consistent producer Kilbridefarm Gernot P. Gernot was also the sire of Coose Jericho P, who was a leading AI sire at Cogent, producing many sale and show-topping progeny. His grandam Auroch Charissa is a full sister to the €18000 Curaheen Cheyenne who is Dam to Curaheen Gunshot P. Pat is the complete package combining some of the breeds most influential polled genetics. It is rare to find a homozygous polled sire with muscle and style and full of breed character. We are very excited to see what this bull will do at Cogent.
