### Breeder/Farmer

Skyhigh 1 Take a Chance is the first son in AI from the two time UK Hereford female of the year "Dendor 1 Jennefer 15th". This combination of genetics has proven to be very consistent with his full ET siblings "Skyhigh 1 Viva La Jucy" and Skyhigh 1 Shawshank" winning top honours at numerous calf shows around the country in 2019. His sire is the Canadian record breaker and heavily proven sire "Remitall Superduty 42s". Take a Chance carries performance and growth traits in the top 5% of the breed and a milk figure of +13 ranking him in the top 5% of the breed. We expect this exciting young sire to transmit muscle and milk into his progeny.
