Breeder/Farmer

"We are very excited to release this outstanding young Simmental sire to our portfolio. Kracker is one of the most complete Simmental bulls we have seen for a while, his outstanding proven pedigree is supported with an exceptional set of EBVS. Kracker ranks in the top 1% of the breed for Terminal Index and top 5% for Self-replacing Index. With carcase and performance traits in the top 1% of the breed and a top 1% milk figure of +13, we expect this bull to appeal to both pedigree and commercial breeders."
