Breeder/Farmer

A nicely presented bull of moderate frame, Nexus will bring maternal traits including milk and a below average gestation length. Sired by Clonagh Latin Lover, Nexus displays exceptional quality and style. This shines through in his EBVs, where he ranks in the top 10% of the breed for Milk, Eye Muscle Area and Retail Yield, promising productive dual-purpose progeny. In Terminal Production and Self Replacing Indexes he sits above the top 10% and 20% of his breed respectively, reiterating the productive traits this bull will bring.
