Breeder/Farmer

Antrobus is an exciting Stabiliser sire offering shape and style with exemplary locomotion. Sired by Snipe House Ukulele, this quiet young bull holds an outstanding 5* Weaning, Finisher and Profit Index. His dam ranks in the top 1% of the breed for milk contributing to Antrobus’s strong maternal traits with his EBVs ranking in the top 1% and 5% of the breed for Mature Cow Size and Milk respectively. These characteristics make Antrobus an obvious choice for breeding productive maternal females, with great longevity.
