Sire: Arubial United P0342

Dam: Tyddewi NF997

MGS: ADBFA0139 Mayura Itoshigenami
JNR

Ear Tag: WYNF554188

AI Code: MS0093

Breeder/Farmer

A bull that lives up to his name, Spartacus brings serious size to any mating, with top 1% weights across the board while also scoring a negative gestation length. Spartacus is genetic condition free and EMA scanned at the top of his cohort group. His sire, Arubial United is making an impact worldwide, while his dam line originates from renowned Westholme breeding. This top 1% SRI sire has serious prospects.
