Breeder/Farmer

Itoguni 308H is a serious favourite from the Wyndford Breeding Program, and is currently in the AWA Progeny Test Program. This bull consistently stamps meat quality on his offspring. He is in the top 1% of the breed for Marble Score, and for the F1 Terminal Index, Fullblood Terminal Index and the new Breeder Feeder Index, showcasing exceptional balance across all the important traits. He is strong across his EMA, Marble Fineness and Gestation Length, this bull has it all. He is an optimal blend of US and Australian genetics. His dam, LMR Ms Kitaguni 6301D, and his sire, Mayura L0010, combine generations of breeding for meat quality exemplified in Itoguni, the perfect F1 producer and a superior sire for Fullblood maternal, or terminal breeding.
