Ear Tag: UK142911602859

✓ Female sexed ✓ Maternal ✓ Conformation

Breeder/Farmer

Premiere is an all-round well-balanced bull; he displays good stature and width along with correct feet and legs. Low-birth-weight EBVs add confidence to calving ease and favourable teat and udder as well as foot and docility scores make Premiere a good choice for breeding replacement females. This is a bull who can be used with confidence throughout the herd.
