Sire: Mullyknock Gallant 15
AI Code: SG1394

Dam: Derrycallaghan Top Girl

MGS: Sterling Herkules

Ear Tag: UK183265100101

Breeder/Farmer

Legend is a great example of the breed. He models with real style and presence with exceptional length and muscle. His dam is a consistent breeder of quality producing show and sale topping bulls. If you want to add muscle without sacrificing growth and performance this is the bull to use. We expect this bull to show exceptional conformation in his progeny.

Boomer Birch, Beef Programme Manager
